

MATHEW 20:05 JEWISH TIME

*So they went. He went out again about the sixth hour and the ninth hour and did the same thing. **Mathew 20:05***

A Jewish day began at 6.00 a.m. and ended at 6.00 p.m. The early call was issued before 6.00 a.m., the hour that work would begin. The late-comer call would have been issued at 9.00 a.m. when a fourth of the day (a life) had already passed. The sixth hour was 12.00 noon; the ninth hour was 3.00 p.m., and the eleventh hour was 5.00 p.m. □
