- 8 Now the LORD God had planted a garden
in the east, in Eden;
and there he put the man he had formed.
- 9 The LORD God made all kinds of trees
grow out of the ground —
trees that were pleasing to the eye
and good for food.
In the middle of the garden were
the tree of life
and the tree of the knowledge
of good and evil.
- 10 A river watering the garden flowed from Eden;
from there it was separated into four headwaters.
- 11 The name of the first is the Pishon;
it winds through the entire land of Havilah,
where there is gold.
- 12 (The gold of that land is good;
aromatic resin and onyx are also there.)
- 13 The name of the second river is the Gihon;
it winds through the entire land of Cush.
- 14 The name of the third river is the Tigris;
it runs along the east side of Ashur.
And the fourth river is the Euphrates.
