**4 *The church and the younger widows and idleness***

a. They should not be counted permanent widows

1) Can desire to be remarried

2) Can bring judgment upon themselves

3) Can become idle, gossips and busybodies

b. They should remarry

1) Lest they cause immoral gossip

2) Lest they turn to Satan

**5 *The believer is to take care of the widows in his own family***

11 As for younger widows, do not put them on such a list. For when their sensual desires overcome their dedication to Christ, they want to marry.

12 Thus they bring judgment on themselves, because they have broken their first pledge.

13 Besides, they get into the habit of being idle and going about from house to house. And not only do they become idlers, but also busybodies who talk nonsense, saying things they ought not to.

14 So I counsel younger widows to marry, to have children, to manage their homes and to give the enemy no opportunity for slander.

15 Some have in fact already turned away to follow Satan.

16 If any woman who is a believer has widows in her care, she should continue to help them and not let the church be burdened with them, so that the church can help those widows who are really in need.
